

IEC VDE0282 BS UNE 21027 4/HD 22.4

Properties

Material: PVC (Polyvinyl Chloride)
RoHS 2002/95/EC

Temperature range: -40°C to 105°C

Technical Specifications

H05RR-F is a flexible PVC cable with a maximum operating temperature of 105°C and a minimum of -40°C.
