

La energía del agua llevó la luz de la multi-función para el ahorro de energía de la fábrica de China

Aplicación:

1. ayuda de campo, caza, cueva, iluminación del montar a caballo de la noche
2. mina, mina de carbón, iluminación de la cueva
3. equipo militar de la iluminación de la emergencia
4. terremoto y otros desastres geológicos iluminación de emergencia
5. senderismo, montañismo, camping, iluminación del desierto

ONLY SALT WATER / SEA WATER, WITH NO POWER REQUIRED

Only full with water and one spoon salt or sea water to light ,
no any more power supply

An home Emergency lighting necessity

Well working on home lighting and night lighting.
It is An home Emergency lighting necessity

- 1、 Field help, Hunting, Cave, Night riding lighting
- 2、 Mine, Coal mine,Cave lighting
- 3、 Military emergency lighting equipment
- 4、 Earthquake and other geological disasters emergency lighting
- 5、 Hiking, Mountain climbing, Camping, Desert lighting

Características:

La innovación, solamente agua salada/agua de mar sin energía requerida

Protección del medio ambiente

Practicidad

Ningún peligro, seguridad usada

Ahorro de energía

La barra de energía puede encender todo el espacio

Puede ser reciclado usado

Una necesidad de iluminación doméstica de emergencia

Ningún control de tráfico y transporte

The Power bar can light all space

New products ,new innovation, only replace the power bar to light the space

Can be recycle used

Can be recycle used in the environment (-15°C — +50°C),and no any pollution

No any traffic and transport control

No any traffic and transport control in SEA, AIR and LAND transport and reducing transport problem

No dangerous ,safety used

This is a new energy product, not only environmental protection and energy conservation but also safety . Completely eliminate the harm caused by the built-in battery explosion and can be indefinite Stored when not in used

Non-toxic Non-explosion Can be used safety both adult and children Non-Electric shock Non-fire danger

Why choose water energy led light ?

WHY

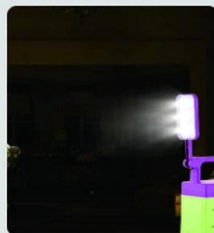

Only one cup of water , 5g salt , Can be used in any room temperature environment, And as long as the salt, whether it is wine or urine, Can be bright with water source

It is a emergency spare

lighting for write lighting

night lighting ,and home using

Shenzhen SEM.Test Technology Co., Ltd.

1/F, Building A, Hongwei Industrial Park, Liuxian 2nd
Road, Bao'an District, Shenzhen, P.R.C. (518101)

Declaration of Conformity

Certificate No.: SEM17097932

The following product has been tested by Shenzhen SEM.Test Technology Co., Ltd. as specified complied with the requirements of RoHS Directive 2011/65/EU. It is possible to use CE marking to demonstrate the conformity with the RoHS Directive.

Report No. : STR17096033R
Applicant : Dongguan city Paifan Technology Co., Ltd.
Address : 6 floor, building B, No. 52, YanSha Road, TianXin
community Tangxia town, Dongguan, China

Manufacturer : Dongguan city Paifan Technology Co., Ltd.
Address : 6 floor, building B, No. 52, YanSha Road, TianXin
community Tangxia town, Dongguan, China

Brand Name : JUHE
Description of product : Water energy LED multi-purpose light
Model No. : JH-02

The referred test report(s) show that the product complies with the essential requirements in the above listed standards. The applicant is authorized to use this declaration in connection with the EC declaration of conformity according to Annex VI of the Directive.

Test Laboratory

CE

The statement is based on a single evaluation of one sample of above-mentioned products. It does not imply an assessment of the whole production and does not permit the use of the test lab logo.

VERIFICATION OF CONFORMITY

According to FCC Part 15B

Certificate No.: SEM17098492

Responsible Party's Name : Dongguan city Paifan Technology Co., Ltd.
Address : 6 floor, building B, No. 52, YanSha Road, Tian Xin community
Tangxia town, Dongguan, China

Manufacturer : Dongguan city Paifan Technology Co., Ltd.
Address : 6 floor, building B, No. 52, YanSha Road, Tian Xin community
Tangxia town, Dongguan, China

Description of Product : Water energy LED multi-purpose light
Model No. : JH-02
Trade Name : JUHE

Report No. : STR17098139E-3

Compliance With Part 15B of FCC Rules.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Responsible Party: _____

Tested By:

Shenzhen SEM.Test Technology Co., Ltd.
1/F, Building A, Hongwei Industrial Park, Liuxian
2nd Road, Bao'an District, Shenzhen, P.R.C.

Responsible Signature: _____

Issued By: _____

Name / Title: _____

Name / Title: Jandy  **PSO Manager**

Date: _____

Date of Issue: Sep 15, 2018

The Certification of Verification shows that the tested sample technically compliances with the FCC Part 15. The certification applies to the tested sample above mentioned only and should not implied an assessment of the whole.
