

Product Description:

Nominal Voltage: 0.6/1KV

Conductor: Class 2 plain annealed copper, strand copper

Conductor nominal cross section area: 1.5sqmm, 2.5sqmm

Cores: 2C~50C+E

Insulation: V-90 PVC

Insulation color: white with black number + green/yellow, or black with white number + green/yellow

Armored (optional): steel wire armored

Sheath: 5V-90 PVC

Sheath color: Orange, or as per requirement

Max. operating temperature: 90°C

Package: wooden drum, or as per requirement

Main product model: PVC control cable

Product standard: AS/NZS5000.1

Product characteristics:

High mechanical strength resistance (armored type), High temperature resistance, low temperature resistance, flame retardant and high electrical conductivity, also fire resistance, UV resistance or Rohs compliant can be available as per request.

Product application:

For control circuits unenclosed, enclosed in conduit, buried direct or in underground ducts for commercial, industrial, mining and electricity authority systems where not subject to mechanical damage (unarmored type) or where mechanical damage may occur (armored type), also suitable for glandings.

Product parameter: (more details please email us: info@himakecable.com)

Number of cores (mm ²)	Conductor structure (mm)	Nominal overall diameter (mm)	Approx. cable weight (kg/km)
---------------------------------------	-----------------------------	----------------------------------	---------------------------------

5×1.5+E	7/0.50	13.1	220
6×1.5+E	7/0.50	13.1	240
8×1.5+E	7/0.50	15.4	300

Product Advantages:

1. The conductor is made of **new pure annealed copper**, ensuring a good electrical properties and a very good conductivity.

2. We are a very **professional cable manufacturer** with advanced production equipments and strict quality inspection system, ensuring the products complying the standard and customized requirement.

Production equipments

Products Quality inspection equipments

3. We have more than **10 years' export experience** and exported products to **more than 60 countries** over the world with a good reputation internationally and SAA certificate.

4. We not only offer **good products** and **good service** to our customers, but also try to **develop our staffs**, offer a good training, good working and living conditions to the staffs.

5. Also we are a company with **highly social responsibility**, often take part in public benefits activities, like tree planting, green environment activities, aiding poor students and the people in difficult condition to achieve their dreams,etc.
