

## Product Description:

**Nominal Voltage:** 0.6/1KV

**Conductor:** Class 5 plain annealed copper, flexible copper

**Conductor nominal cross section area:** 1.5sqmm, 2.5sqmm

**Cores:** 2C~50C+E

**Insulation:** V-75 PVC, or V-90 PVC

**Insulation color:** white with black number + green/yellow, or black with white number + green/yellow

**Shield:** tinned copper wire braiding screen or copper wire braiding screen

**Sheath:** 4V-75 PVC, or 5V-90 PVC

**Sheath color:** Orange, Grey, black or as per requirement, or Clear PVC type

**Max. operating temperature:** 75°C, or 90°C

**Package:** 100 meters per roll, or wooden drum, or as per requirement

**Main product model:** shielded PVC control cable

**Product standard:** AS/NZS5000.1

## Product characteristics:

High temperature resistance, low temperature resistance, flame retardant and high electrical conductivity, also fire resistance, UV resistance or Rohs compliant can be available as per request.

## Product application:

For control circuits unenclosed, enclosed in conduit, buried direct or in underground ducts for commercial, industrial, mining and electricity authority systems where not subject to mechanical damage (unarmored type) , also suitable for glanding.

## Product parameter: (more details please email us: [info@himakecable.com](mailto:info@himakecable.com))

Number of cores (mm <sup>2</sup> )	Conductor structure (mm)	Nominal overall diameter (mm)	Approx. cable weight (kg/km)
5×1.5+E	7/0.50	13.1	220
6×1.5+E	7/0.50	13.1	240
8×1.5+E	7/0.50	15.4	300

## Product Advantages:

1. The conductor is made of **new pure annealed copper**, ensuring a good electrical properties and a

very good conductivity.

2. We are a very **professional cable manufacturer** with advanced production equipments and strict quality inspection system, ensuring the products complying the standard and customized requirement.

### **Production equipments**

## **Products Quality inspection equipments**

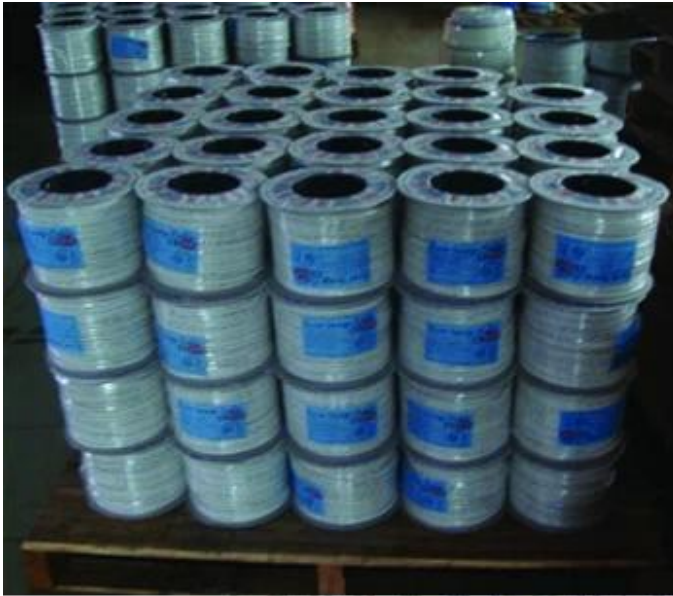

3. We have more than **10 years' export experience** and exported products to **more than 60 countries** over the world with a good reputation internationally and SAA certificate.

4. We not only offer **good products** and **good service** to our customers, but also try to **develop our staffs**, offer a good training, good working and living conditions to the staffs.

5. Also we are a company with **highly social responsibility**, often take part in public benefits activities, like tree planting, green environment activities, aiding poor students and the people in difficult condition to achieve their dreams,etc.
